**CHARLOTTE, North Carolina, April 20, 2023** – As the company prepares to celebrate its 29th anniversary, RCS Corporation (RCS) – a national woman-owned staffing agency specializing in the energy industry – is pleased to announce that Lauren M. Piosa has been promoted to President and is now majority shareholder of this family-owned business.

Mrs. Piosa has been with the company since 2018 and possesses significant corporate experience leading recruitment teams throughout the United States, as well as Spain. Her leadership, energy, enthusiasm, and unparalleled service to clients ensures constant growth for RCS and a continued commitment to the company's mission of exceeding clients' expectations every day! "I am excited and thrilled to take over the family business," said Mrs. Piosa. "I look forward to many more years of providing top talent and staffing solutions to energy, engineering and utility-focused companies nationwide."

Alongside Mrs. Piosa, RCS Corporation's Operations Manager, Antonio Piosa, has been promoted to Vice President. These recent changes come after former President, Karen A. Garcia, has chosen to retire. "I am honored to have been at the helm of such a progressive and innovative staffing company since my appointment in 2010. promotion. I am confident that their leadership will build on the legacy of RCS! 'Thank You' to all our clients and employees for your loyalty and trust in RCS throughout the years.”

RCS Corporation was originally founded by Lauren Piosa’s father, Carlos F. Garcia, on April 22, 1994 in an effort to fill a need for professional staffing placement services within the energy sector. The company went on to reach it’s first milestone when it was ranked by Entrepreneur Magazine as “*The #1 Fastest Growing New Small Business in America*” in June 1997, and has since become the highly-successful and national staffing agency it is today. Carlos Garcia’s personal journey began when he left the poverty-stricken and repressive country of Cuba to move to the U.S. and live the American Dream.
